

MONDAY MESSAGE

March 5, 2007

Rockwood Weed and Seed is transitioning over the next several months to a fully functioning community based project. The teams that had formed over the prior four years will be working to manage and lead the Rockwood initiatives. Staff will assist with this process by leading meetings, matching resources and providing support. To do that we thought it might be helpful to provide the following information to the Weed and Seed e-mail list.

The Vita Tax Aide Center has now been open for one month. The center is busy as clients continue to seek tax assistance. Please continue to let people know about our service and hours. As of March 2 we have seen 135 clients and processed 108 electronic returns worth of \$165,000 in refunds and tax credits to our clients. This is money that supports our local economy. Thanks to everyone who has helped make this center a success. Let's keep up the good work as we continue to build a thriving and livable Rockwood!

Reminder; *This is a walk-in center and we do not make appointments over the phone.*
